

CHIDDINGFOLD

2019

■ **The course** is now 20 years old and improving every year. Originally built to a very high specification by Peter Alliss with USGA greens and full irrigation. Our current priorities are to keep improving all aspects of the course and clubhouse whilst continuing to offer great value and a warm welcome to all.

- **The History** of Chiddingfold has seen some difficult times with changes of ownership trying to establish the course as a viable business until acquired by us 5 years ago with funding from a group of local golfers who wanted to ensure golf at Chiddingfold had a long term future. We are now firmly established as the number one in the area for offering fun and value.
- **Our Style** is definitely relaxed with no aspirations to be a traditional style members club with unnecessary rules and committees. The accent will always be on informality but we do of course expect all players to show the proper level of respect to the course, the rules of golf, fellow players and last but not least the staff.
- **Our golf society** is free to join and is the biggest society in the south! Members receive regular discounts and special offers on golf at Chiddingfold, Hamptworth and Estepona our sister club in sunny Spain. Plus golf travel, equipment and days out at other clubs. Join today to start receiving all of the above.

- **The Players Card** has been our most popular feature at Chiddingfold since the start offering half price golf at Chiddingfold and discounts at our partner clubs Hamptworth in The New Forest and Estepona in Spain .At only £195 a year (half price juniors) it is great value whether you are just getting started or not quite got the time to commit to full time golf.
- **The Majors (normally last weekend of the month)** individual and team tournaments over the weekend both days are open to all comers with fabulous prizes mostly sponsored by breweries and Spanish wine bodegas!
- **The 19th Hole** has a fully operational kitchen and seated dining facilities for up to 30 guests. The terrace is the perfect place for a summer party with hog roast or BBQ for up to 100 and available for private hire. So whatever the occasion please ask for a menu and our chef Jacque and his team will prepare one

- **Society packages** at Chiddingfold start from only £25 pp and are available 7 days a week. Register your society on our Data base today and we will give you a complimentary 2 ball for a prize and invite you to play in our annual society championship in October.
- **Our handicap system** and running stableford are set to revolutionize the golfing world in 2019 with mainly industry experts believing that the CONGU system is one of the biggest factors in putting people off joining golf clubs. The running stableford is open to all and can be played every day of the month with a fourball at Hamptworth first prize every month The handicap system designed Scott to make things as simple as possible so you can concentrate on playing and improving.
- **Our Partners** offer great deals to our members and friends so if you are looking for a great day out give Hamptworth in the New Forest a try a fabulous test of golf featuring the longest hole in Britain the Beast! Or for something more adventurous try Estepona our Spanish sister in sunny Spain.
- **Improve and make friends** our resident golf pro Steve Hall is available for individual lessons throughout the week plus he organises regular group lessons and roll ups there is no need to book just roll ups-details on our notice boards.
- **Our 2019 Corporate golf offer** gives you the chance to sponsor your own hole as part of annual membership for less than £1000!
- We also offer bespoke packages whether you are looking for a one off golf day or a longer term connection we are the perfect destination including exclusive use of the course and clubhouse for a day to do whatever you want? or play golf
- **Play – Stay - Dine!** We are surrounded by great dining and accommodation venues so please ask for more details and special rates
- **Charity Golf Days** are a great way to have fun while raising money for good causes. Last year over £70k was raised at Chiddingfold through golf days and we would be happy to help organize an event for any local charity - please ask for more details
